

“WE MAKE THINGS HAPPEN”

Fluss Partners LLP, Chartered Accountants and Business Advisors are part of the FLUSS GROUP of companies which also includes FSI Consulting Group Inc. and Forensic Strategic Solutions Inc.

Fluss Partners LLP, Chartered Accountants and Business Advisors is a full professional services group that deals with small to midsize growth oriented companies to help them achieve their goals. The firm provides traditional accounting, bookkeeping, audits, reviews and tax services (both personal and corporate), reorganizations, tax planning and preparation of financial statements and financial and estate planning.

Through **FSI Consulting Group Inc.**, the firm provides strategic

planning, SWOT analysis and focuses on critical success factors and business positioning. The firm also provides strategic business solutions for organizations that range in size from incubator-type companies to public companies. The firm provides leading edge value-added expertise which includes facilitation of financing and venture capital, project analysis and financing, mergers and acquisitions, business plan formulation and review, executive workshops, objectives mapping and strategy formulation and creative problem solving.

Our Forensic Group, **Forensic Strategic Solutions Inc.**, deals with financial investigation matters such as loss of income calculations, insurance investigations,

accounting for damages, fraud and forensic investigations, due diligence, expert witness testimony and matrimonial disputes.

David Fluss is the managing partner of Fluss Partners LLP Chartered Accountants and the Fluss Group of Companies. David is a multi-dimensional, multi-disciplined business professional, Chartered Accountant (CA), Certified Management Consultant (CMC), Certified Financial Planner (CFP), Certified Public Accountant (CPA), Certified Fraud Examiner (CFE), and Certified Internal Controls Auditor (CICA) who has helped companies and individuals reach their goals by incorporating proper strategic planning, tax planning, estate planning and accounting and control systems.

Sanjay Arora & David Fluss

We work directly alongside clients to meet every accounting, tax and business challenge. Fluss Partners LLP was nominated in 2008 by the Vaughan Chamber of Commerce for the Business Achievement Award for professional services. In addition, in 2009 the firm won the Top Choice award by being voted the top Chartered Accountants of the year by the Jewish Community in the Greater Toronto Area. (GTA)

We were instrumental in bringing the **Business Advantage Group Inc.** to the Small Mid-sized Enterprise Community, whereby we have assembled a compelling mix of talents offering a “One-Stop” Solution” for small and mid-sized businesses to stabilize and grow their operations to the next level, providing progressive, creative and

When we told our clients that we had won the Top Choice Award for Chartered Accountant of the year the response was “We already knew you were the best!”

practical alternatives and solutions for issues faced by those business owners. Business Advantage Group shares its wealth of knowledge and talents through seminars and conferences at a fraction of the price of in-house executive specialists or outside consultants. Professionals within our organization have spearheaded and

chaired various mastermind groups and lectured on many topics over the years. David serves on several boards of Charitable Organizations in his capacity as strategic advisor for organizational development and creative fundraising strategies and continues to work with organizations that require guidance for success.
